In this highlight, Inés Weinberg de Roca speaks on...
one-sided justice

The transcript of the highlight begins on the following page.

- 00:00 Especially since we're also only trying one side. All our accused are Hutus and there, there have been no cases against the paramilitaries of the other side, and perhaps they didn't, so we do not know whether they didn't commit the crimes or if they were just not investigated, or investigated and not brought to court.
- 00:26 So we have the feeling that it's a one – I have the feeling that it's a one-sided justice; not so different from justice at home in the end, but in Argentina there's also been one-sided, and that is not great.
